

HOOD CONTAINER  
*of Louisiana, LLC*

January 7, 2021

To Whom It May Concern:

Hood Container of Louisiana, LLC does not knowingly add any of the “Materials of Concern (MOC)” listed in your toxicity letter. Because of the few additives used in the papermaking process for our products and the GRAS nature of our pulp, these substances would not be expected to be in our products or would be below any amount that we could detect.

Our Products do not contain components on the REACH, SVHC, RoHS, or Prop65 lists and are compliant with all FDA and CONEG requirements.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Wayne Morgan'.

Wayne Morgan  
Senior Vice President – Mill Division
